HINTERLANDS

Drinks Packages

We supply and serve all of your drinks on your big day. We will serve your welcome drinks, put your pre-ordered drinks on the table and have a fully staffed bar throughout the day. We can be totally flexible with our offering and are happy to source beers and create cocktails personalised to you!

Arrival Drinks Packages

Want to treat your guests with a glass of fizz or wow them with a DIY cocktail station? We have a number of welcome drink packages available. Choose from our favourite cocktails, bottled beers, traditional prosecco or add a DIY cocktail station.

Table Packages

We recommend around half a bottle of wine per person on the table, which can be self served. You can choose from our inhouse selection or we can arrange a meeting direct with our supplier. Please note if you would like to bring in your own favourite wine there is a corkage fee.

And if you want to add that personal touch, we are working with our wonderful neighbours Love Lane Brewery to create bespoke labels for some of the most well known beers such as the delicious Love Lane Pale Ale.

Toasting Drinks

Our favourite part of the day are the speeches, and they are all about YOU. We can ensure everyone has a drink in hand ready for your toasts and there are plenty of options available. Traditional fizz can be served by the glass or you can serve a personalised bottled beer. We are also happy to offer a range of inclusive non-alcoholic options if you prefer. We can also arrange specialist or memorable drinks such as personalised shots or champagne cocktails - prices on request.

Ceremony Options

Getting married at Hinterlands

It is becoming ever more popular to have your ceremony and party all under one roof. It cuts the costs of transport and saves your guests having to make their own way to the next venue - on a rainy day this is ideal.

We welcome a range of meaningful ceremony options at Hinterlands, including humanist weddings, DIY services and civil ceremonies.

We will be registered to host legal ceremonies from 2019 and can host these in both the Eclipse and Main Hall. Ceremonies are an additional cost and can be discussed during your show-around.

Eclipse Ceremonies

A one-of-a-kind blackout space, the Eclipse is dark, minimal and immersive. The aisles can be lit up by candlelight and the walls adorned with fairy lights. Creating an alternative style perfect for edgy couples looking for an industrial-chic vibe and a really 'out-there' wedding ceremony.

160 Ceremony Guests

Mezzanine Ceremonies

In contrast to Eclipse the Mezzanine within our Main Event Hall is a light bright indoor garden area set under a large skylight window. Suitable for couples looking for a more intimate ceremony setting.

80 Ceremony Guests
